

We like saving pocket money

Sung to the tune of 'Bobby Shaftoe'

G C G D G D G C

We like sa-ving po-cket mo-ney. We like sa-ving po-cket mo-ney. We like sa-ving

po-cket mo-ney. In our pi-ggy banks. Ke-lly's sa-ving for a bike.

Ke-lly's sa-ving for a bike. Ke-lly's sa-ving for a bike. In her pi-ggy bank.

D G Am D7 G

D G Am D7 G

We like saving pocket money,
We like saving pocket money,
We like saving pocket money,
In our piggy banks.
Geeta's saving for some bricks,
Geeta's saving for some bricks,
Geeta's saving for some bricks,
In her piggy bank.

We like saving pocket money,
We like saving pocket money,
We like saving pocket money,
In our piggy banks.
Craig is saving for a kite,
Craig is saving for a kite,
Craig is saving for a kite,
In his piggy bank.

Singing the song

- Invite each child, in turn, to think of an item that they would like to save for. Incorporate this into the song by substituting the names shown with the names of the children in the group.
- Ask the children to stand in a circle to sing the song and let the named child stand in the middle while their verse of the song is sung.
- During the first part of the verse, encourage the children to hold hands and skip in a circle around the named child standing in the middle. For the second part of the verse, ask everyone to clap their hands and look at the child in the middle of the circle.
