Ca - stles are big and ca - stles are tall, And
ca - stles are ma - de of stone. Look for the tu - rrets

Castles are big and castles are tall,
And castles are made of stone.
Look for the flags as they blow in the wind,
And the king as he sits on his throne.

Castles are big and castles are tall,
And castles are made of stone.
Look for the deep moat all the way round,
And the king as he sits on his throne.

Castles are big and castles are tall,
And castles are made of stone.
Look for the drawbridge over the moat,
And the king as he sits on his throne.

**Singing the song**

- At the beginning of each verse, stretch and reach with arms up in the air, as high as the castle.
- For the third line of each verse, put one hand above your eyes to look into the distance.
- For the final line of each verse, sit on a chair or on the floor with arms folded and backs straight, just like the king of the castle.
