

Supermarket shopping

Push the trolley
Round the store,
Load it to the top.

(Mime pushing trolley up and down the aisles.)

Coffee, tea,
Juice for me,
Bacon, eggs and beans.

(Dash about, taking things from shelves.)

Push the trolley
Round some more,
All around the shop.

(Mime pushing trolley up and down the aisles.)

Peas and chips,
Cheesy dips,
Butter, bread and greens.

(Dash about, taking things from shelves.)

Push the trolley
To the car,
Load food in the boot.

(Mime pushing trolley.)

Coffee, tea,
Juice for me,
Bacon, eggs and beans,
Peas and chips,
Cheesy dips,
Butter, bread and greens.

(Mime lifting heavy bags into boot.)

Park the trolley,
Start the car,
Time to go! – Toot! Toot!

(Mime pushing trolley.)

(Mime sitting in car and turning on ignition.)

(Wave and shout 'Toot! Toot!')
