

All-in-one cakes

Ingredients

- 125g soft margarine
- 125g caster sugar
- 125g self raising flour
- two eggs

Equipment

- mixing bowl
- wooden spoons
- individual cake cases or two large (18cm) cake tins
- baking tray
- cooling rack
- icing
- cake decorations

What to do

- Pre-heat the oven to 180°C/340°F/Gas Mark 4.
- Place all the ingredients in a bowl and blend together gently.
- When mixed together, beat for two minutes.
- Share the mixture between individual cake cases or two large (18cm) cake tins.
- For individual cakes, bake in the oven for approximately 10 to 15 minutes or until golden, or for large cakes bake for approximately 20 minutes.
- Leave to cool for approximately ten minutes, then tip out on to a cooling rack.
- Leave to get cold before icing and decorating.
