

# Welcome to Sunbeam School

The sun always shines  
on Sunbeam School,  
even on the stormiest day.  
It's a place where we can  
dance and sing,  
while we learn and laugh and play.

Should raindrops fall  
on Sunbeam School  
in giant split-splat spots,  
we work hard indoors, before  
our healthy lunch,  
enjoying it lots and lots.

We're happy healthy children  
in Sunbeam School  
with space to move around.  
We can skip and run and  
race and chase  
on a green and grassy playground.

Come and meet our friends  
at Sunbeam School,  
quite the happiest school for miles.  
You'll soon know everyone  
in this lively place,  
we wear the sunniest smiles!

Moira Andrew
