

Create your own character

In the *Where's Wally?* books, Wally is often joined by other characters. These include his girlfriend, Wenda; Odlaw, his arch-nemesis; Whitebeard, his wizard friend; his dog, Woof; and the Wally Watchers, Wally's fan club.

Wally is always dressed in the same clothes: a red-and-white striped jumper, blue trousers, glasses and bobble hat. He always carries a wooden stick.

- Create a character based on yourself. You must think of an outfit and a particular object that you would have with you at all times.
- Write a description of your character, including information on character traits and behaviour. Will you be a 'good' or 'bad' character? Who are your friends? Who are your enemies? What's your chosen object? Why do you carry your chosen object?
